

## Workforce Assist - Get Ready for Work

Are you a 2022 School Leaver? Are you looking for a job?

In this program, you will learn some new skills in communication. Learn about how to get through your first interview, how to present yourself with confidence and what to expect.

We will mix it up and make sure you have plenty of hands on experiences with a session each day in the MakerSpace where you will learn skills using basic hand tools to make a laminated cutting board!

### Lunch Included

#### Accredited Units of Competency
