

Youth Pathway Programs

Creating an alternative, individual Pathway to Work or Study

We are a Community Educator and a Registered Training Organisation (RTO) registered by the Australian Skills Quality Authority (ASQA) to deliver nationally recognised vocational education and training (VET) services and qualifications.

Vocational Pathways: Year 10 Alternative

Our Vocational Program offers a range of courses to eligible students for the entire period of time they need to engage in learning to satisfy mandatory schooling requirements until age 17. We do not just offer one course; we offer a pathway to employment or further education.

The vocational program is funded by Smart and Skilled and is an approved program for early school leavers. Those wishing to swap the RoSA pathway for a vocational pathway to achieve a certificate II or III. The program requires students to be signed out of school. Students are leaving school by enrolling in this program.

Vocational Pathways: Post Year 10

Our Vocational Program offers a range of courses to eligible students offering a pathway to employment or further education.

The vocational program is funded by Smart and Skilled and is an approved program for those wishing to prepare for the workforce or further study at TAFE. The program offers a pathway in the following fields:

- Community Services; aged or disability care
- Business; administration, bookkeeping,
- Retail, Hospitality, & Beauty Therapy
- Construction, Auto and Agriculture

The program requires students to have already left school or to be signed out of school. Students are leaving school by enrolling in this program.

Work Placements and/or Internships

If students are undertaking a vocational program with us and can demonstrate commitment to learn and work, we will organise work placement opportunities for them. They are responsible for the experience!

Work placement is a student's chance learn new skills and demonstrate how their classroom learning can be applied in real workplace conditions.

For higher-level vocational qualifications and subject to employer needs, students may be offered an internship, allowing them to opt for volunteer work within an organisation while completing their learning.

(Note: Internships are volunteer programs, Traineeship/ Apprenticeships are paid programs)

School Involvement

Parents will be required to discuss the Pathway program with their child's school Principal. The college must receive an exemption from enrolment from their current school before the student is eligible to enrol in our Pathway program
